MEMORANDUM OF UNDERSTANDING

Between The

SPACE GRANT CONSORTIUM

of

South Dakota (SD) and Nebraska (NE)

This Memorandum of Understanding is entered into by the above for the express purpose of developing and enhancing future, joint South Dakota and Nebraska NASA Space Grant and EPSCoR educational partnerships with an emphasis on service to the Native American populations in both states

This joint educational partnership will be furthered by:

Engaging in faculty interaction and the enhancing of curricular development activities focused on improving mathematics, science, and technology educational opportunities for Native Americans.

1. Exploring joint research and collaborative opportunities.
2. Expanding student scholarship opportunities and funding mechanisms in aeronautics, space, and related fields.
3. Moving jointly to encourage, at our respective institutions, expanded upper administrative level involvement in this initiative.

The points of contact for this endeavor will be the directors of the SD and NE NASA Space Grant Consortiums located respectively at the South Dakota School of Mining and Technology and the University of Nebraska at Omaha.

September 12, 1997

Dr. Sherry O. Farwell
Director, SD Space Grant Consortium
South Dakota School of Mining and Technology

Dr. Brent D. Bowen
Director, NE Space Grant Consortium
University of Nebraska at Omaha
